

MASSP POLICY PRIORITIES

2021-2022

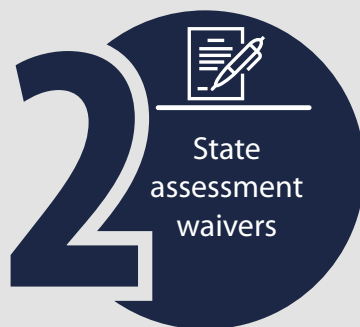

In setting priorities for the 2021-22 legislative session, MASSP surveyed principals, assistant principals, and other building administrators about both immediate, pandemic-related priorities and longer-term policy priorities.

IMMEDIATE PRIORITIES

Educator
evaluation
waivers

For both the
student growth
and non-student
growth statutory
requirements

State
assessment
waivers

2021 administration
of WorkKeys,
MSTEP, WIDA,
MI-Access

Additional
funding
for mental
health
supports

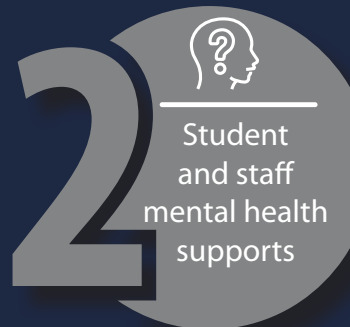

To address the
mental health
needs created by
the pandemic.

LONG-TERM PRIORITIES

School
Funding

Both an increase
in funding and a
shift toward more
needs-based
funding

Student
and staff
mental health
supports

Ongoing and
sustained mental
health supports, both
in school and in the
community.

Educator
evaluation
reforms

To negate the impact
of student growth
and state assessment
data and to make
the process less
burdensome and
more improvement-
focused

Michigan Association of Secondary School Principals

ABOUT MASSP

MASSP is an 1,800-member association representing Michigan's high school, career technical education and middle level building leaders. Established in 1911, MASSP has worked for more than 100 years to promote excellence in school leadership and advocate for education system improvements for the benefit of students, teachers and administrators.

OUR MISSION

Advancing learning through educational leadership.
